## Depaul Complaints Procedure – relating to Fundraising and Communications complaints from the public, supporters and potential supporters

Depaul supports people who are homeless or at risk of homelessness. Depaul operates as one charity but is registered as two separate legal entities in the Republic of Ireland (ROI) and Northern Ireland (NI). We have registered charity status in both jurisdictions.

Depaul shares close links with other members of the Vincentian Family and the Society of St. Vincent de Paul but we are a separate charity.

At the forefront of Depaul is our values;

- We celebrate the potential of people
- We put our words into action
- We aim to take a wider role in civil society
- We believe in rights and responsibilities

**Our Vision** is of a society in which everyone has a place to call home and a stake in their community

**Our Mission** is to end homelessness and change the lives of those affected by it.

### Handling Feedback and Complaints

Depaul is committed to ensuring that all our communications and dealings with the general public and our supporters are of the highest possible standard.

We are committed to listen and respond to the views of the general public and our supporters so that we can continue to improve. Depaul welcomes both positive and negative feedback. Therefore, we aim to ensure that:

- It is as easy as possible to make a complaint to Depaul
- Any communication that clearly expresses dissatisfaction with our operations and calls for a response is treated as a complaint
- We will treat complaints as serious no matter the correspondence method i.e. telephone, email, fax, letter.
- We will deal with all complaints promptly, politely and with respect.
- We will respond to all complaints in accordance with the complaint either by providing further information or an apology if a mistake has been made.
